

## **Hamilton Developmental Screening**

**Thursday, October 7, 2021**

**Friday, October 8, 2021**

**Washington Elementary School**

**Age Birth through 5 years**

**8:30 am till 2:00 pm**

Hamilton Developmental Screening is scheduled for Thursday, October 7, 2021 and Friday October 8, 2021 at the Washington Elementary School for Children birth through 5 years of age *residing in the Hamilton School District*.

**Please note this is not a preschool readiness test, but a screening for potential developmental delays.**

Screening is conducted in the areas of Speech/Language, Hearing, Vision, Knowledge/Reasoning, and Motor Skills. Assessment is comprehensive and usually takes 60 to 90 minutes. If you have any concerns regarding delays in any of these developmental areas, **please call the Washington Elementary Office at 406 363 2144 to schedule an appointment.**
