March 21

Curriculum Committee
Meeting, 12:00 noon at
the District Office

April 4

Curriculum Committee
Meeting, 12:00 noon at
the District Office

To the Hamilton Community,

It wasn't long ago that I was the principal of Seeley-Swan high school in Seeley Lake, MT. Seeley is known as a winter wonderland and I believe the majority of the people that lived up there preferred four feet of snow on the ground over 80 degree summer swimming in the picturesque Seeley-Swan chain of lakes. I however always looked forward to the spring and summer. The Hamilton basketball tournament season was an escape from the winter wonderland and was a bit of a mini-vacation for my family. We would stay in a hotel, eat out, do a little shopping, walk along the Bitterroot River trails, run our dog at Claudia Driscoll Park, run our kids at Canyon Hideaway, and get our taxes done.

I was always in awe of how the community and the school District worked together to construct a high school that simultaneously supported the students and the local community. The Bitterroot Valley Chamber of Commerce estimates that the tournament season can bring in several hundreds of thousands of dollars to the local economy during the challenging shoulder season between winter and summer. This provides a real shot in the arm to our lodging, dining, retail, and other service-oriented business in the area, even tax preparation.

The Southwestern A Boys and Girls basketball tournament will take place in Hamilton this week Feb 15-18. Both the Hamilton Broncs and Lady Broncs are seeded number one going into this tournament. If you need a last minute Valentines gift please purchase a couple of tournament passes and go out and support your local student athletes. You could even take someone out on the town, or better yet, have someone take you out and enjoy all that Hamilton has to offer. This is a truly a great place to live!

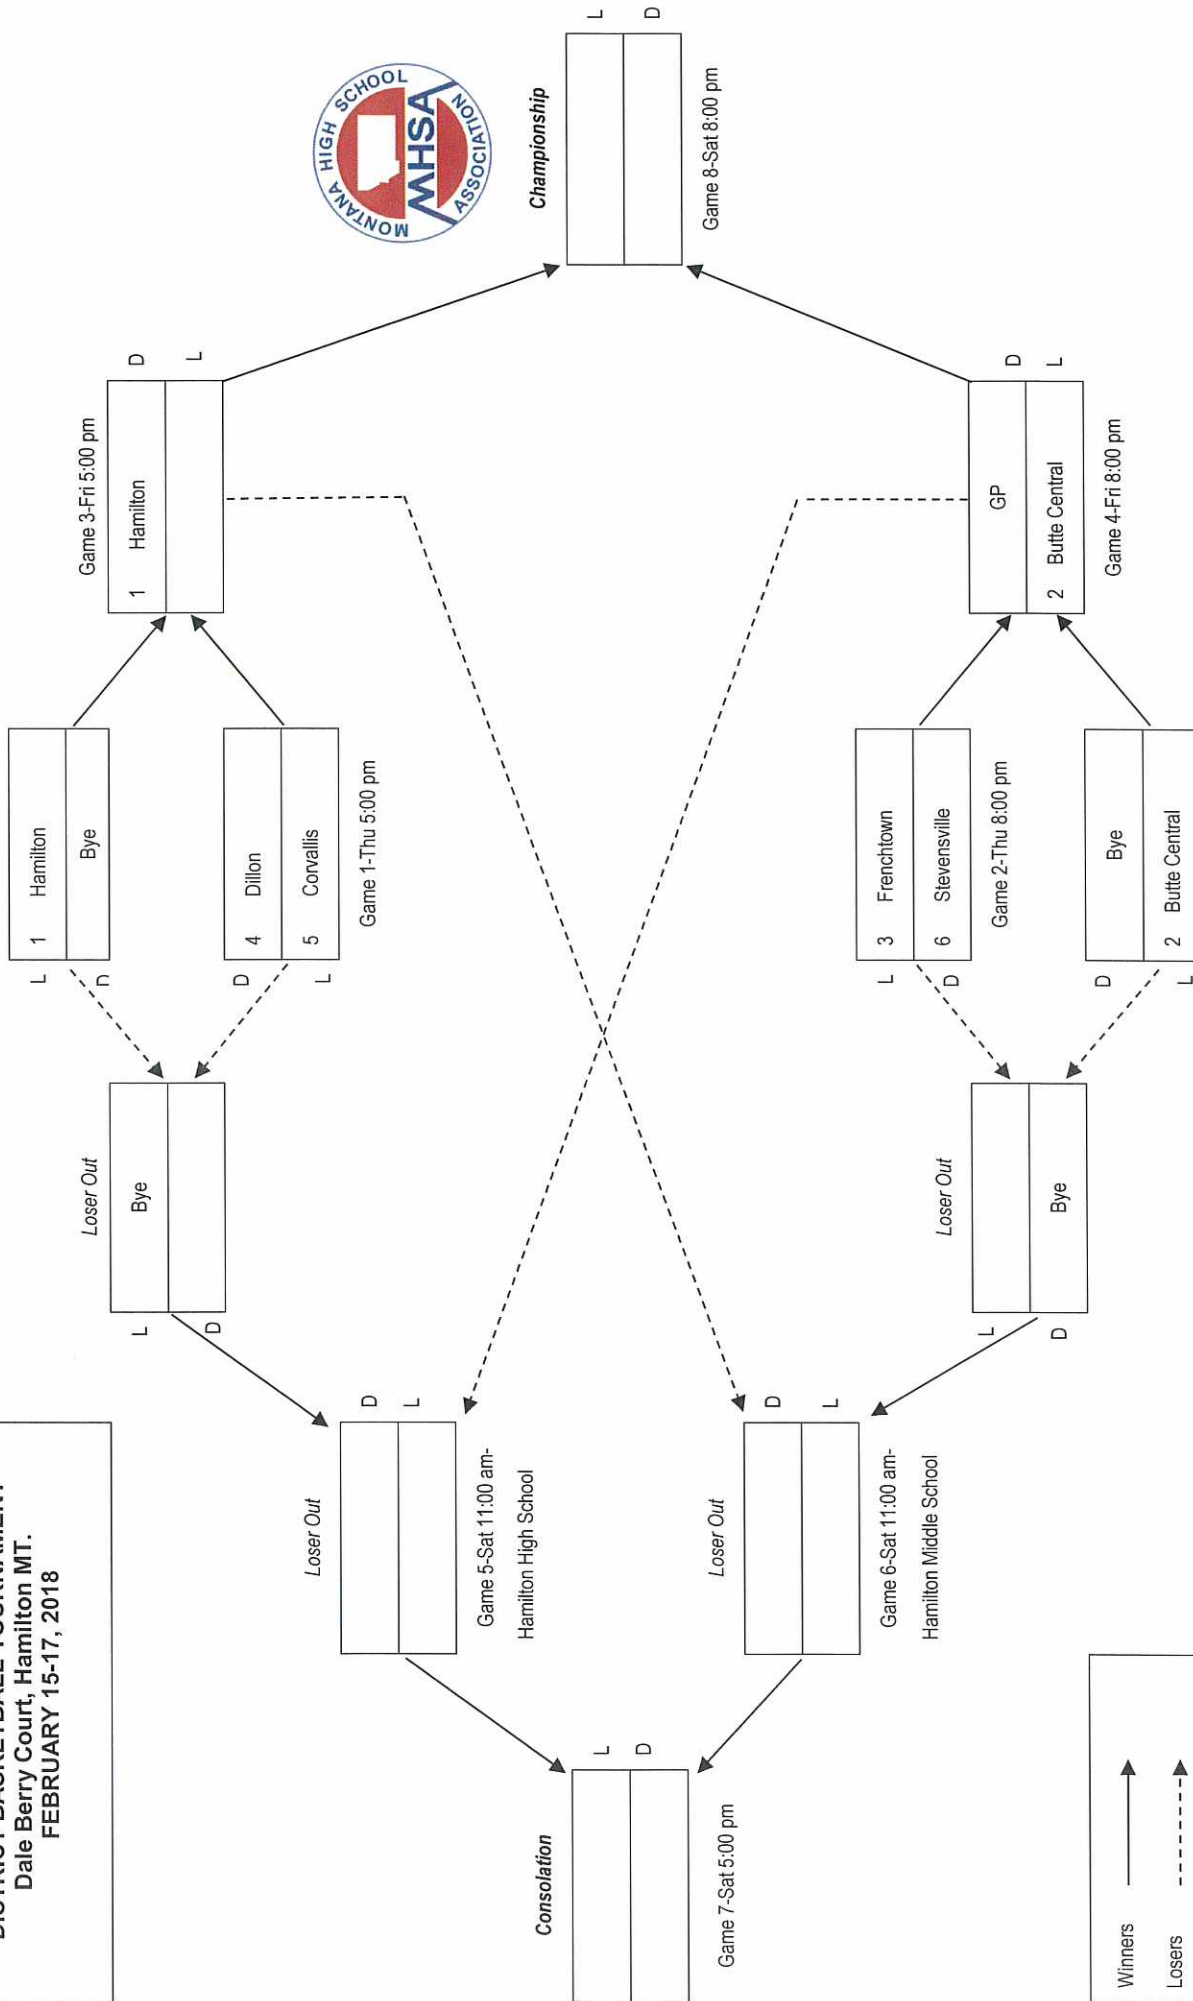

Happy early Valentines Day and Go Broncs!

Tom Korst, Superintendent

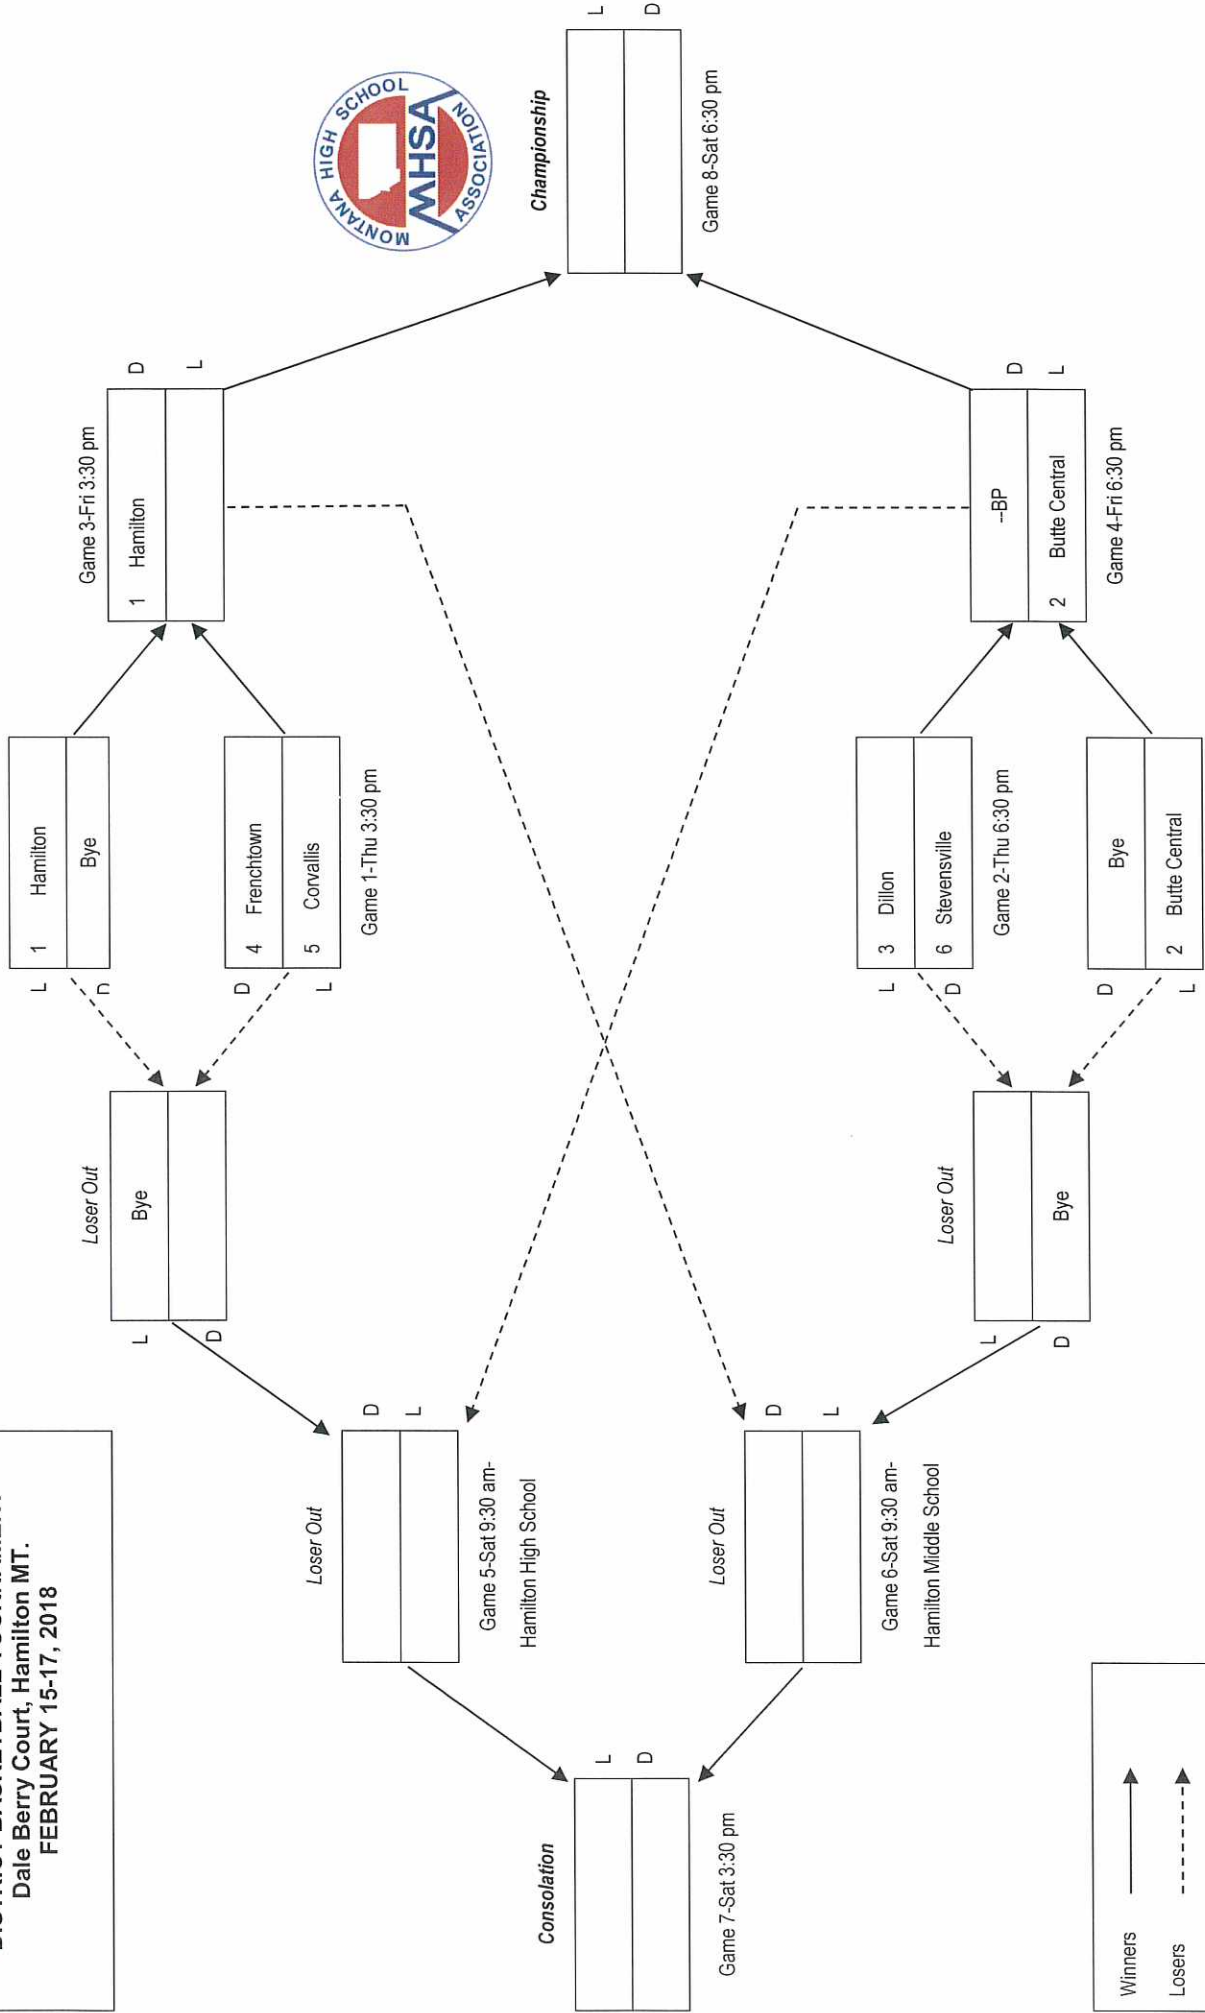

P.S. Congratulations to the Hamilton wrestlers for taking 10th out of 26 teams at state with individual wrestlers Bridger Williams and Michael Golden both placing 3rd and Kyle Anderson placing 4th in their respective weight classifications.

And, hats off to our speech and debate student participants for their efforts at the National Speech and Debate qualifier in Helena this last weekend. Great work!
