If there's one thing we know how to do at GROOVZ, it's how to have a blast with kids! Let us keep your little one active and occupied after school while you run errands or finish up your workday. And even better, we'll do it right at the school they'll soon know and love!

Who's It For?

This program is only open to current students in the Washington Primary Early Kindergarten Program

Days, Time & Location?

Monday-Friday, 2:15pm - 3:45pm (GROOVZ staff has to leave Washington right at 3:45pm in order to get to other classes at the studio by 4pm, so no wiggle room on pick-up time.) Students will go directly to the Washington school gym when they are released from class. (Early pickup is allowed, but no refunds.)

What's the cost?

This is a non-refundable month-to month tuition program based on # of days per week you choose to enroll your child. 1-2 days per week = \$65 per month; 3-5 days per week = \$95 per month. We have space for 16 kids per day. Once you register, you will be sent a confirmation email with payment instructions/options.

How Do I Register?

Visit groovzdance.com and click on the "Washington Primary After-School Program" link. Register your child for all days and months you choose. If class is full when you try to register, you can register for the option of "Please put my child on the waiting list for the selected days" and we will contact you if a space becomes available in the order request was received.

Must Have at Least 10 Kids Registered to Start Class

Can pay via cash or check at first class of each month or pay with a card via monthly emailed invoice.

Additional Drop-In Days Available for \$10 per day if space is available (Must call ahead)

GROOVZ will not be providing snacks, so we will ask parents to pack an extra snack and water bottle with kids each day for after school.
